Objective

Motivated third-year Bachelor of Science in Information Technology student at Kirinyaga University with hands-on experience in full-stack web development and project management. Eager to expand my technical expertise into cloud computing by contributing to innovative projects . Possess a strong foundation in web technologies and a keen interest in cloud solutions, virtualization, and scalable infrastructure.

Education

Kirinyaga University – Kerugoya, Kenya
Bachelor of Applied Science (BASc) in Information Technology
Sep 2022 – Apr 2026 (Expected)

- Relevant Coursework: Cloud Computing Concepts, Networking, Project Management, Web Development
- Registration Number: CT100/G/15951/22

St. Michaels Secondary School – Nairobi, Kenya
Kenya Certificate of Secondary Education (KCSE)
Completed: 2022

Emako Primary School – Kakamega, Kenya
Kenya Certificate of Primary Education (KCPE)
Completed: 2017

Experience

Future Interns – Nairobi, Kenya (Remote)
Student Intern – Full-Stack Development
Nov 2024 – Present

- Developed and deployed a personal portfolio website using HTML, CSS, JavaScript, and Node.js packages.
- Collaborated with a team on web application projects, enhancing both front-end and back-end functionalities.
- Gained experience in responsive design and interactive user interfaces while meeting project deadlines.

Nairobi City Water & Sewerage Co Ltd – Nairobi, Kenya
Attachee
May 2024 – Present

- Assisted in IT department projects, supporting system maintenance and data management initiatives.
- Contributed to the troubleshooting and optimization of internal IT processes.
- Gained practical exposure to IT infrastructure, further fueling my interest in scalable cloud solutions.

Projects

Personal Portfolio Website

- **Description:** Developed and deployed a responsive, interactive website that showcases projects, technical skills, and academic achievements.
- **Tech Stack:** HTML, CSS, JavaScript, Node.js packages
- **Live Demo:** 848bruno.github.io/vite_portfolio/
- **Highlights:**
  - Enhanced user engagement with modern UI/UX design principles.
  - Successfully navigated deployment challenges, ensuring seamless integration of interactive features.

Technical Skills

- **Programming & Web Technologies:** HTML, CSS, JavaScript, Node.js
- **Development:** Full-Stack Web Development, Responsive Design, UI/UX Implementation
- **Project Management:** Planning, Collaboration, Agile Methodologies
- **Cloud & Infrastructure:** Familiarity with virtualization and foundational cloud computing concepts (seeking to expand hands-on skills)
- **Tools:** Git, GitHub, Command Line Interfaces

Additional Information

- **Interests:** Cloud Computing, Emerging Technologies, Scalable IT Solutions, Continuous Learning
- **Professional Affiliations:** Actively engage with online communities and forums related to web development and cloud technology.
- **Social Media & Blogs:** Regularly share project updates and industry insights on LinkedIn.
